

AMELIA is a black ceiling lamp designed by Héctor Serrano with a very light style, and curvy and organic shapes that subtly blend into and enrich the space. The rounded diffuser provides a larger emitting surface and prevents glare, making it perfect for ambient lighting. Lighting solutions designed for global markets, compatible with mains voltages: 110 - 120V and 220 - 240V.

General characteristics

Fixation	Ceiling
Type	II
IP	44
voltage	100V-240V
Hertz	50/60Hz
Max. Power	15W

Material

Body/Structure	Steel
Diffuser	Glass

Finish

Body/Structure	Matt Black
Diffuser	Opal White

Lighting characteristics

Light source included	No
Light source	E27
Light direction	Ambient lighting
